

2 DAY CRASH COURSE STRUCTURE

Week 1

Intro to the Potter's Wheel

Centering

Cylinders

Simple Forms

Week 2

Trimming – Wheel/Hand

Intro to Slabs – Hand Building

Using Texture

Make sure all edges are smooth and pieces are thin enough to dry in time

Once your work has been bisque fired you will be contacted with a date to come for glazing.
Glazing and the glaze fire is included in the course fee.
